NOTES - For all obstetric and gynaecological examinations please advise patients to present with a FULL BLADDER. i.e. Patients should not pass urine for 1 hour before examination, then drink 500mL of NON-GASEOUS FLUID 1 hour before the examination For all Third Trimester Growth and Well Being examinations, please drink 250mL 1 hour before.		

- For some examinations a trans-vaginal scan may be the best but would only be carried out with the patients consent.
